### **About Motorcycle Santa:**

Motorcycle Santa started in 2015 as an impromptu idea to spread holiday cheer. An Amazon Prime delivery of a Santa suit, large red velvet bag and an elf costume, saw Motorcycle Santa and his crew delivering gifts to unsuspecting strangers on a 2003 Kawasaki Vulcan. The festive gesture created countless smiles, and ultimately grew to a tradition in the community. Today, Motorcycle Santa has raised more than \$25,000 for the Ronald McDonald House of Delaware.
